Dear Potential Conservation Day Camp
Counselor/Counselor-In-Training (GIT),

Would you like to serve as a camp
counselor for the 2019 Conservation Day
Camp on June 25 - 27?

Serving as a Conservation Day Camp Counselor is a
great opportunity to develop leadership, responsibility
and people skills. For some, this is a great way to build your
leadership portfolio for future goals such as 4-H Camp Counselor,
Junior Fair Board member and college and scholarship applications.

This year's Conservation Day Camp will be held June 25-27
from 9am-2:30pm each day at the Shelby County Fish & Game
Club, 9120 Sidney-Freyburg Road in Sidney.

As directors of Conservation Day Camp, we look for individuals who like
working with children, are good role models and have a positive and willing attitude. Applicants must be completing the
7th thru 12th grade.

Counselor responsibilities are:

- Guide a group of 25 young people from station to station. Monitor their behavior and keep them motivated and engaged in presentations.
- Assist presenters with minor tasks of your group and camp. Including aiding campers with keeping their belongings together and clean-up.
- Keep your group entertained if there is a delay in the planned activities. Games and songs would be appropriate and during training you will be provided with resources to help you with those.

As a counselor-in-training you will assist the counselors and camp directors with the above responsibilities.

Enclosed you will find a Camp Counselor Application and Responsibilities Form. Please read through the material and if you agree to uphold these responsibilities then fill out the application, sign it and return it with your parent/legal guardian signature to... **Shelby County Farm Bureau, 110 Industrial Drive Suite G Wapakoneta, OH 45895 by May 3.**

In order to prepare you for this opportunity it is mandatory for all counselors, regardless of past experience, to attend a training session. It is important that you attend this session in order to tour the camp site and facilities and get to know your counselor team and adult staff. More details on responsibilities and expectations will be shared at this training. **Counselor Training will be held on Thursday, June 6 from 7-8pm at the Shelby Fish and Game Club, so please mark your calendars. You must attend the training session to be a counselor. If exceptional circumstances prevent you from attending this training session you will need to contact me to schedule a make-up date.**

If you have questions about any of this information please don't hesitate to call me at 877-775-7642 or email at jsmith@ofbf.org.

Sincerely,

Jill Smith
Organization Director
Shelby County Farm Bureau
