Re: Feeder Calf Registration Procedures, Dates, and More

This packet contains information regarding feeder calf registration procedures, rules, and dates for the 2024 Shelby County Junior Fair.

If you know of new 4-H or FFA members planning to exhibit feeder calves, please pass along these procedures and dates.

Update for 2024: Tri-County Veterinary Service has informed our office that their office is unable to get the Vira Shield 6 vaccine due to back order. They have replaced that with another vaccine; however, the substitution can only be purchased in doses of 10 (single doses are NOT available). Tri-County Veterinary Service has recommended that families reach out to other families to share the doses from the substituted vaccine. If you have any questions, please contact Tri-County Veterinary Service at 937-493-6536.
