Greetings,

I am writing to invite you to apply to be the 2018 Shelby County Dairy Princess. The process is outlined in the inclosed application. After applications are returned we will set up an interview, at the convenience of your schedule. The winner will be crowned at the 2018 Shelby County Dairy Banquet. I ask that you please consider applying, the pool of dairy industry connected eligible candidates by age involved in 4H or FFA, is relatively small at the moment. Please feel free to contact me, if you have any questions.

Sincerely,

Greg Borchers
