JUNIOR FAIR BOARD AWARDS

LEE H. ARCHER MEMORIAL AWARD

A special award will be presented each year to the Shelby County Junior Fair Board member who best exemplifies positive attitude, diligent leadership, unselfish cooperation, quality citizenship, and hard work toward the successful completion of the current Junior Fair. Lee Archer was a charter member of the Shelby County Junior Fair Board who willingly contributed for many years to the youth of Shelby County through the atmosphere which the Junior Fair provides. He was a 4-H Advisor for 20 years, worked in the livestock sale ring at the fair for 25 years, and exhibited livestock at the Shelby County Fair for more than 30 years. This award is dedicated by his family toward the goal of inspiring others to strive for high levels of achievement through participation in activities such as the Shelby County Junior Fair Board. Selection will be made by a vote of the entire membership of the current Junior Fair Board.

JUNIOR FAIR BOARD “ROOKIE OF THE YEAR” AWARD

This award is to honor one first year member of the Shelby County Jr. Fair Board who displays dedication, determination, hard work, teamwork, leadership, and spirit. This award is dedicated by former Jr. Fair Board member and President, Trena Hershberger, who is still active today volunteering her time to support the development of the Jr. Fair Board members. All Ohio Department of Agriculture Health Requirements for Animals Exhibited on the Fairgrounds and Ohio Livestock Tampering Exhibition Rules apply. Space does not permit the re-printing of these rules in the Jr. Fair Booklet. All Shelby County Junior Fair Rules & Regulations also apply. For additional species’ specific rules, see the designated species’ section in this booklet.

1. ENTRY, ELIGIBILITY AND OWNERSHIP:

a. All youth who plan to exhibit in any animal class or subclass must submit an entry for each animal.

b. Each exhibit must be a part of the exhibitor’s enrolled and supervised project, which is and has been under his or her management for the required time during the year of the Fair. Specific possession and animal identification requirements follow:

i. All market cattle exhibited at the Fair must be weighed and tagged by the Sale Committee at the designated time and must be in the exhibitor’s possession by January 1. A maximum of three animals may be brought to pre-fair weigh-in.

ii. All market lambs and market goats must be in the exhibitor’s possession by May 15th.

iii. Market hogs must be in the exhibitor’s possession by May 15th.

iv. Feeder Calves must be in the exhibitor’s possession by May 15th. Tag Pickup is May 2nd.

v. All meat pens of rabbits and all single fryer rabbits must be in the exhibitor’s possession by the third Saturday in June.

c. An exhibitor may make two entries per subclass but may only enter two species of market animals.

i. Market Cattle: Exhibitors are permitted to show two beef steers and one beef heifer or two beef heifers and one beef steer. Note: This does not include feeder calves. For example, an exhibitor could show two beef steers, one beef heifer, and two feeder calves (dairy and/or beef) for a total of five market cattle.

ii. Market Lambs: A maximum of four market lambs may be shown. (These may be ewes or wether lambs.)

iii. Market Hogs: A maximum of four market hogs may be shown. (Allowable combinations: i) 4 purebreds, ii) 3 purebreds, iii) 2 purebreds, 2 crossbreds.

iv. Market Goats: A maximum of two market goats may be shown. (These may be doe or wether kids.)

v. Chickens: Chicken exhibitors may enter maximum of eight total entries. Only two entries may be made in the meat pens of chickens subclass. Only one entry may be made in the single fryer chicken class and one entry in the single broiler chicken class.

vi. Rabbits: An exhibitor may show a maximum of five market rabbits (two meat pens and one single fryer). An exhibitor may show only one single fryer.
d. **SCRATCHES:** If an exhibitor decides to no longer enter any class or subclass they originally listed on their entry form, they **MUST** fill out and submit a Junior Fair Scratch Form. Scratch forms must be turned in to the Shelby County Extension Office by 4:30 p.m. on the second Friday in July. Failure to properly report scratches may result in a fine, a reduction in premium, or loss of consideration for rosettes and special awards.

e. **FAMILY TAGGING:** Once ownership of an animal has been established by a household during pre-fair or fair tagging, tattooing, or other means of registration, such ownership may not be transferred to another household. (See Alternate Family Animal Rule for exceptions)

   i. All species **MUST** be registered to the household at which the exhibitor permanently resides at their initial pre-fair check-in/weigh-in or on check-in day at the fair, whichever is first (dates determined by the Sale Committee and Junior Fair Board annually; cattle - January; goats/lambs - May; rabbits - June; poultry - July).

   ii. The street address for the household will be referenced from 4-H Online and/or the school at which the exhibitor attends. Proof of residency may be requested at the Junior or Senior Fair Board’s discretion. Burden of proof rests on the exhibitor and parent/guardian.

   iii. Cattle, Goats and Lambs: Sale Committee will initially assign an exhibitor’s first and last name to each animal at the species’ pre-fair check-in/weigh-ins. In the event a family wishes to switch tag numbers among exhibitors permanently residing at the household at which the animal is registered, they must submit a Junior Fair Family Tagging Form to the Shelby County Extension Office. Family Tagging Forms must be turned in by the second Friday in July.

   iv. Animals registrations may be in the form of tagging and pictures (market cattle, feeder calves, goats, lambs), pictures (hogs), tattooing (rabbits) or banding (poultry).

   v. **ALL livestock MUST** be registered to an individual exhibitor prior to their official check-in/weigh-in at the fair on Saturday, July 24.

   vi. See ORC 901-19-39 below for further clarification.

f. **BREEDING CLASSES:** Animals exhibited in the Beef Breeding, Dairy, and Sheep Breeding classes must be registered or eligible to be registered. Alpacas, llamas, and goats do not have to be registered or eligible to be registered. All breeding livestock in these same shows must be in the possession of the exhibitor by April 15.

g. Castrated males only will be permitted in the steer and market barrow classes. Castrated males and ewe lambs will be permitted in the market lamb class. Castrated males and doe kids will be permitted in the market goat classes. All steers and wether lambs and goats must be well castrated prior to pre-fair check/weigh-ins. Barrows must be well castrated and well healed prior to the first day of the Fair.

h. Youth who exhibit only breeding animals that are not on the grounds at the time of the species' showmanship contest are permitted to bring a breeding animal onto the fairgrounds for that showmanship contest.

i. **Scrapie Eradication Program (Sheep & Goats):**

   i. All sheep and goats including lambs and kids, wethers, rams, ewes, and bucks and does of all ages exhibited in the Shelby County Junior Fair must have official USDA Scrapie Identification.

   ii. Exhibitors must ensure market lambs and goats are properly identified with official USDA Scrapie Identification, complete the Shelby County Junior Fair Scrapie Identification Form (one form per exhibitor and per flock owner), and bring this form to the spring weigh-in. Official USDA Scrapie Identification and completion of the form is **MANDATORY** and is required for the weigh-in process to be completed and animals to be accepted as Junior Fair entries.

j. **Any animal determined to be unruly and a potential danger to exhibitors and Fair visitors may be sent home. The final decision to send an animal home will be made by the Junior Fair Executive Committee upon recommendation by department superintendents.**

      i. Horses: Exhibitors must have at least one horse on exhibit throughout the Fair.
      ii. Dairy Cattle: If an exhibitor wants to receive a check from the Gallon of Milk Sale, s/he must have at least one Junior Fair dairy entry on the fairgrounds from 9:00 p.m. on Saturday through 7:00 p.m. the day the fair ends unless released in accordance with the rules to exhibit dairy cattle in junior shows at the OSF.

   viii. ALL OTHER ANIMAL EXHIBITS: Must be in place by 9:00 p.m. the day before the Fair starts.
   c. Market animal weights will be used to determine subclasses. Exhibitors must be present to weigh their animals or have made prior arrangements for their animals to be weighed at the designated times or forfeit their right to show and sell. All market species are divided and shown by weight; in the case where there are groups of animals, the total group weight will be used. Market animals must meet the specie minimum weight requirements in order to participate in the Jr. Fair. Any Market animal over or under the weight requirement will be sent home. Animals over or under weight must be removed from fairgrounds by 8:00 a.m. the following morning after weigh-ins.
   d. In the event an exhibitor has two animals in the same weight class in a market show, they may elect to move one of their animals to a heavier weight class so that they can show both.
   e. Absolutely no re-weighs will be permitted. Those animals not within weight guidelines will show in non-championship classes and will not be permitted to sell. Some exceptions to sale weight limits are detailed in species specific rules for market rabbits, market lambs, and market hogs.
   f. SCALES: By order of The Shelby County Agricultural Society, there will be NO scales other than the scales owned by the Shelby Country Agricultural Society and certified by the county allowed on the Fairgrounds during the week of Fair and the Saturday before. Any persons caught with scales anywhere on the Shelby County Fair Grounds will have to remove the scales and themselves from the grounds immediately. Further repercussions could follow.
   g. Animal Release Times:
      i. Unless the exhibitor has an approved Early Release Form (see page 11, rule 3) or unless noted under species specific rules, animals will be released from the fairgrounds at 7:00 p.m. the last night of the Fair. All exhibits must remain on the fairgrounds in their designated areas until the official release times. Any exhibitor removing his/ her entries before the official release time without prior permission from the Junior Fair Board will be barred from exhibition for the next year.
      ii. All livestock exhibitors aside from cattle MUST thoroughly and adequately clean pens and cages before exiting the grounds on or after the last day of the Fair. All shavings, mulch, other bedding material, manure, tack and trash must be removed and placed in the appropriate dumpsters. Exhibitors who are reported to have not cleaned pens before leaving the grounds will be fined $100 or the total amount of their sale check, whichever is less. The fine will be assessed from the exhibitor’s sale check, if applicable. If the exhibitor does not have a sale check, the fine must be paid to the Junior Fair Board prior to entering in the
Shelby County Junior Fair the following year. Any exhibitor witnessed moving bedding, manure or trash to another pen as an alternative to appropriately cleaning his/her own pen may be assessed additional penalties at the discretion of the Shelby County Junior Fair Board.

iii. All livestock exhibitors MUST ensure their animals have been removed from the grounds before leaving on or after the last day of the Fair. Exhibitors who do not remove or have their animals removed from the grounds will be fined $100 or the total amount of their sale check, whichever is less. The fine will be assessed from the exhibitor’s sale check, if applicable. If the exhibitor does not have a sale check, the fine must be paid to the Junior Fair Board prior to entering in the Shelby County Junior Fair the following year. Additional penalties, including being barred from exhibiting livestock at the Shelby County Junior Fair, may be assessed at the discretion of the Shelby County Junior Fair Board.

3. DRUG USE NOTIFICATION FORMS:
   a. A completed and approved Drug Use Notification Form (DUNF) (no form, no show, no sale) MUST be submitted for Junior Fair market steers, market lambs, market hogs, veal calves, market dairy steers, market goats, lactating dairy cattle, lactating goats, and meat pens of poultry. A separate form must be completed for EACH animal. Rabbits are not required to have a DUNF. Feeder calves only require a DUNF if they are going directly to slaughter from the fairgrounds.
   b. Blank DUNFs will be available from 4-H and FFA Advisors or may be picked up at OSU Extension Shelby County.
   c. Completed forms must be submitted to a Senior Fair Board representative who will be present at the collection times and locations (see table of back cover). Any animal for which there is not a completed DUNF on file will not be permitted to show or sell.
   d. All animals for which DUNFs are submitted must be “drug free” by the TIME OF WEIGH-IN. That is, if an animal has a medication listed on the DUNF for which the withdrawal requirement has not been achieved by weigh-in, then that animal will not be permitted to show or sell, and quarantine arrangements will be decided by the board.

4. FITTING & GROOMING:
   a. Clipping or trimming of any market animal is optional. See species specific rules for grooming requirements.
   b. The Junior Fair Board strongly suggests that all fitting and grooming be done only by the exhibitor of the animal.
   c. Grooming of any animals is prohibited between 11:30 p.m. and 6:00 a.m.
   d. The Senior Fair Board will enforce the same market hog grooming rules for the Open Senior Fair Market Hog Show that the Junior Fair Board enforces for the Junior Fair Market Hog Show. Refer to the Market Hog rules in this booklet for specific grooming requirements.
   e. Additional prohibited grooming practices are listed in the Ohio Livestock Tampering Exhibition Rules printed in the front of the Shelby County Fair Premium Book.

5. SHOW PROCEDURES & AWARDS:
   a. Junior Fair market livestock shows will be divided into divisions if the species numbers support doing so. Divisions will be determined by the members of the species Sale Committee, the Junior Fair Board species superintendents, and the Junior Fair Board advisors involved with that species.
   b. All animals must be shown by the owner unless there is a conflict with another judging, unless the exhibitor is prevented from participating due to having two animals in the same class, or unless there is illness or another unfortunate circumstance over which the exhibitor has no control. In such cases, arrangement for showing the animal by another junior exhibitor shall be made with the approval of the Junior Fair Board, department superintendents or advisors before animal is taken into the show ring.
   i. Those in need of ring side assistance must contact the Junior Fair Board at least two weeks prior to the start of the Fair for approval.
   c. In each class, the judge will first grade the animals “A” or “B.” The grades will be based on the condition and fitness of the animal and the application of good livestock management practices. Animals graded “A” will be placed 1, 2, 3, 4, etc., and the first and second place animal in each class will be eligible for breed and market championship classes.
   d. Ribbons and premiums will be awarded on the basis of the letter grade given by the judge.
   e. In the Championship Drive of every market livestock show, the top five animals/pens overall will be placed. Places will be as follows: Grand Champion, Reserve Champion, 3rd overall, 4th overall, and 5th overall. First and second place entries from each class (in shows with classes only) or division will participate in the Championship Drive. The first place animals only will be considered for Grand Champion. The animal standing second to the Grand Champion in its class or division will be considered along with the remaining first place animals for Reserve Champion. Third, fourth, and fifth place overall will be selected from the animals remaining
in the arena following the selection of Reserve Champion, with second place animals considered after the first place animal in their class or division has been awarded an overall placing.

f. Rate of gain contests will be conducted for market cattle, market lambs, and market goats. Overweight and underweight animals are eligible for this award. In the event of a tie, the winners will both be awarded.

g. The top five rate of gain winners will be showcased in the ring, and the Grand and Reserve Rate of Gain will be awarded before championship drive in each species.

6. **DRESS CODE:**

   a. Full-length pants, belts are strongly encouraged. No shorts.
   b. Hard soled shoes or boots. No slides, sandals, flip flops, or athletic shoes.
   c. It is recommended that exhibitors wear a shirt with a collar and should not wear t-shirts. No shirts with business names, farm logos, or family names will be permitted in the show ring.
   d. No halter tops, tank tops, bare midriff, or muscle shirts.
   e. All Junior Fair animal exhibitors will wear a back or shoulder number during all Junior Fair shows. One number will be issued per exhibitor for the entire week. The same number will be worn for all departments.

7. **ILLNESS OR DEATH OF EXHIBITS:**

   a. The Junior Fair Executive Committee shall be notified if a Junior Fair animal is thought to have a contagious or infectious disease. The Executive Committee will then notify the Senior Fair Board president and the Fair veterinarian. If the condition is verified by the veterinarian the animal will be removed from the fairgrounds and will not be eligible for premiums, awards, or participation in the Livestock Sale. (See ODA rule 901:1-18-04.)
   b. If an exhibitor’s properly entered animal should die, a veterinarian’s written statement of cause of death must be presented to the Executive Committee. If approved by the Executive Committee, the exhibitor could purchase a replacement animal of the same species to enter in showmanship classes and type classes for a grade and premium, but this replacement animal would not be eligible to place in the class or to be sold in the Junior Fair Livestock Sale. No substitutions are allowed for any reason after animals have been checked in at the fair.
   c. In the event that a market animal dies before the Sale and the exhibitor does not have another market animal that has been shown in the Junior Fair, the exhibitor will not participate in the livestock sale.
   d. In the event a market animal dies after the sale, the exhibitor will receive the premium bid minus the commission, but not the market value of the animal.

8. **ALTERNATE FAMILY ANIMAL RULE:**

   a. At the discretion of the sponsor, alternate/family animals may be registered to an exhibitor’s family’s household (901-19-01: Household means the permanent residence address of exhibitor)
   b. The alternate/family animal is not an additional project added to the maximum number of animals allowed per species registered.
   c. One alternate/family animal may be registered per household. The street address for the household will be referenced from 4-H Online and/or the school at which the exhibitor attends. Proof of residency may be requested at the Junior or Senior Fair Board’s discretion. Burden of proof rests on the exhibitor and parent/guardian.
d. An exhibitor can only take the alternate/family animal if the original animal dies, comes up lame, is ill and will not recover in time for fair, or is diseased, and is documented by a licensed veterinarian.

e. Alternate/Family animals cannot be utilized once weigh-ins have occurred at fair.

f. Families do not have to utilize the Household Family Rule, but it is available. Please keep in mind that the alternate/family animal can only be used in hardship cases, not because it looks better than the rest. If an animal must be switched out due to hardship, then it is the exhibitor’s responsibility to provide documentation from a licensed veterinarian to the Junior Fair Board immediately.

9. LIVESTOCK SALE:

a. Exhibitors may only sell one “sale unit” through the sale. A “sale unit” is: 1 steer, 1 feeder calf, 1 lamb, 1 goat, 1 hog, 1 pen of chickens, 1 pen of ducks, 1 pen of turkeys, or 1 pen of rabbits. The grand and reserve champion single fryer rabbit/chicken may be sold if they are not from the grand and reserve champion pens. No other single fryer chickens or rabbits may be sold.

b. Exhibitors of feeder calves may elect to sell their calves through the Livestock Sale. The sale of feeder calves will occur at the end of the cattle sale. Feeder calves will not be eligible for Grand and Reserve Champion market cattle awards. Feeder calves selling through the sale or block must submit a DUNF at weigh-in.

c. The market animal shows at the Shelby County Fair are partial terminal shows. Grand and Reserve Champion market cattle, market barrows, market gilts, market lambs, market goats, pens of chickens, pens of rabbits, single fryers (if sold separately from the winning pens) and turkeys MUST be slaughtered. Exhibitors are required to sell these animals through the Livestock Sale. Unless otherwise noted in species specific rules, in the Livestock Sale, the Grand and Reserve Champion animals will sell first, directly followed by the Grand and Reserve Rate of Gain Champions. Skillathon winners in each age division in a specie will sell after Grand, Reserve and Rate of Gain.

d. Any exhibitor who brings a market animal to the fairgrounds but does not show the animal, then sells that animal through one of the Sale Committee blocks will be assessed a $25 fee, payable to the Sale Committee. The decision to assess a fee will be made the Junior Fair Board Executive Committee upon recommendation of the relevant Junior Fair department superintendents.

10. PEN ASSIGNMENTS & INSPECTIONS:

a. Pen/stall/cage assignments will be made by the Junior Fair Board department superintendents, Junior Fair advisors, and Senior Fair department superintendents on the Wednesday prior to Fair, and assignments will be documented. Exhibitors must house their animals in the area assigned to their club or chapter.

i. If an exhibitor moves his/her animals outside of the assigned area, the exhibitor will be required to move back, and a $50 fine will be assessed. This fine must be paid before an exhibitor can show or sale.

ii. Empty pens or stalls are to be used for tack only.

iii. No animals are permitted to move to an empty pen or stall without prior permission from the Board.

iv. Animals must be in their own individual pen prior to show/sale and for pen checks.

b. Each exhibitor shall assume the responsibility for the health, feeding, care, and well-being of his/her animals and fowl and their effect upon the entries of other exhibitors.

c. Animals remain in the care of the exhibitor until such time as they are removed from the fairgrounds.

d. Feed and bedding must be provided by the exhibitor. Waste should be deposited in the assigned area.

e. Pen Inspections: Exhibitors must keep their exhibits, pens, stalls, and aisles in the area of their exhibits clean and neat at all times during the fair, including the time between the sale and the release of animals. Inspections, conducted by the Junior Fair Board Executive Committee, can occur at any time. Inspection criteria will include:

i. Adequate amount of clean, dry bedding

ii. Presence of water or evidence that a sufficient amount of water is provided on a regular basis

iii. Overall welfare and cleanliness of animal

f. The first time an exhibitor fails inspection during fair week, s/he will receive a written warning. If that same exhibitor fails an inspection of any of his/her exhibits at a later date, s/he will be fined $25/failed inspection. Fines must be paid before the exhibitor can show, sell, or receive his/ her sale check. Exhibitors who fail to pay will be banned from exhibiting in the Junior Fair the following year. Parents or advisors may accompany the exhibitor in any appeal of the fines, which must be made as soon as possible to the Executive Committee. However, the exhibitor must be present when the appeal is made.

11. BARN ETIQUETTE:

a. Always keep animal(s) clean and presented in the best possible manner. Keep animal(s) adequately fed and watered at all times.

b. Pens must be kept clean throughout the Fair. All animals and pens must be maintained and made presentable for the public by 10:00 a.m. daily.
c. Display pen assignment cards neatly and at all times.

d. Stall, pen, or cage decorations are permitted and encouraged, as long as they pose no safety hazard to the animals and do not interfere with other exhibits.

e. When cleaning pen, stall, or cage, place manure in designated area to be hauled away. Place paper and other trash in appropriate waste cans.

f. No running inside the barn, or any place where animal exhibits might be disturbed or frightened.

g. No water fights in the barns.

h. Keep aisles and walkways open and clean, and swept as much as possible for fairgoers to view exhibits. This is especially important during the time of the shows.

i. Be courteous and helpful in answering questions that fairgoers might have about animal exhibits.

j. No one other than an exhibitor and/or their immediate family may handle another exhibitor’s animals(s) or enter their pen unless permission from the exhibitor has been received.

i. This rule excludes fair veterinarians, Junior and Senior Fair Board members and registered 4-H and FFA advisors in an emergency, quality care issue or other event that requires immediate access to the animal.

b. If it is necessary to place fans for better air circulation in the barn: Coordinate placement with that of other exhibitors’ fans so that air is moved in one direction throughout the barn; Place fan so that it does not interfere with other animal exhibits or exhibitors; and make sure that the fan does not present an injury hazard to animals, exhibitors, or fairgoers.

c. Cooperate with and assist exhibitors, Fair Board members, and others in moving animals from barn to show/sale arena and return. Be prompt with animals for shows and sale positions.

d. Mark all equipment so that ownership is clear.

e. All animals should have permanent and easily read identification so that ownership cannot be questioned.

12. QUALITY ASSURANCE & QUALITY CARE:

a. All youth who plan to enter and exhibit (breeding and market) livestock (cattle, dairy cattle, swine, sheep, goats, rabbits, poultry) at the Shelby County Junior Fair must attend a Quality Assurance (QA) program or successfully “test out” of the program by June 1st. At least one parent or legal guardian of junior exhibitors only must also attend a QA program. Exhibitors and parent/legal guardians of intermediate and senior exhibitors who have successfully tested out are not required to attend a QA program.

b. Attendance at a QA program by the exhibitor is required each year unless the exhibitor properly “tests out.”

c. Complete Quality Assurance rules, program dates, and test out information can be found on the OSU Extension Shelby County website at http://www.go.osu.edu/shelbyQA. Exhibitors who do not comply with the QA rules and procedures will not be permitted to exhibit in the current year’s Junior Fair.

13. SKILLATHON:

a. All animal exhibitors MUST participate in at least one skillathon exam prior to the first day of the Fair. Skillathon exams will be administered on Saturday, July 24, 2021 from 9 a.m. to 5 p.m. in the Youth Building.

b. Skillathon exams will consist of a written test and an oral interview. The written portion of the exam will include three species-specific knowledge stations and a Quality Assurance station. For the oral interview, exhibitors will be asked to discuss their project experience and turn in a standardized feed record.

c. Exhibitors must participate in at least one exam, but may elect to participate in more than one at their discretion.

d. Exhibitors must be entered in a species in the current year in order to take that species’ skillathon exam.

e. Exhibitors who have a legitimate conflict on Saturday, July 24 can call the Shelby County Extension Office to make alternative arrangements for examination. Appointments must be made before Monday, July 19.

f. The highest skillathon score in each age division (beginner, intermediate and advanced) in each market specie will receive an award and will sell immediately after the Grand and Reserve Champions and the Rate of Gain Grand and Reserve Champions.

g. The highest skillathon score in each age division (beginner, intermediate and advanced) in each non-market specie will receive an award and a cash prize.

h. If an exhibitor receives the high score in more than one market specie, s/he will have to elect which specie they plan to priority sell in and notify the Junior Fair Board.

i. Exhibitors who do not complete at least one skillathon exam prior to 5 p.m. on the Saturday before Fair will NOT be allowed to exhibit in any Junior Fair show at that year’s Fair.

j. The Shelby County Junior Fair Board reserves the right to allow a 4-H or FFA activity to suffice as an alternative to the skillathon exam. Alternatives will be approved on a case-by-case basis.

JUNIOR & OPEN CLASS LIVESTOCK TAMPERING AND OR MISREPRESENTATION

NOTICE: No one is allowed in the show arena or collection area after the selection of the Grand and Reserve Champions except the veterinarians, the species department Senior and Junior Fair Board members, and the champion winning exhibitors and one parent/legal guardian per exhibitor. The exhibitor and the parent/legal guardian must remain with the champion animal until the collection process is complete.

The Shelby County Agricultural Society will operate under the provisions of Ohio’s Livestock Show Reform Act and under all applicable Ohio Department of Agriculture Administrative Code Rules.

• Tampering and/or misrepresentation as to breeding, age, ownership, custody and all other irregularity in showing will be considered fraud and deception.

• Drenching: 901-19-01 (Ohio Department Of Agriculture): No drenching of any market livestock unless authorized by a licensed veterinarian for a medical condition.

After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

• In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence. Upon hearing the case, the Fair Board will make a ruling.

h. “Horseless Horse” members and youth enrolled in a 4-H horse project but without a horse project animal at the fair may participate in non-riding classes only: Ground Roping, Groom and Clean, and Fun Show. Cloverbuds and youth not enrolled in the Shelby County 4-H Horse Program will not be permitted to compete in any Junior Fair horse show classes, but are permitted to participate in noncompetitive, non-riding classes in the Fun Show.

3. Ohio State Fair Qualifying Performance Against The Standard (PAS) Show Rules & Deadlines:

a. Only one properly identified and enrolled project animal may be shown by an exhibitor in the PAS Horse Show, a qualifying show for the Ohio State Fair Junior Horse Shows. You must meet the requirements for Permission to Participate and 4-H Enrollment before being eligible for the PAS Show. The Shelby County PAS Show will be held on Sunday, June 28 beginning at 9:00 a.m. Class entries for this show will be due to the Shelby County OSU Extension Office on or before the Wednesday preceding the show by 4:30 p.m. The PAS horse show is open to any 4-H project member. More information about the Shelby County PAS Horse Show can be found at go.osu.edu/shelbyhorses.

4. Shelby County Junior Fair Show Rules:

a. Horses will be accepted into the fair from 9:00 a.m. to 9:00 p.m. the day before the Fair starts and will be released at 7:00 p.m. on the day the Fair ends. At least one animal per exhibitor must be on display at the fair by 9:00 p.m. on the day before the Fair starts.

b. Each exhibitor will be assigned one stall per identified and entered animal. If there are not enough stalls available, the exhibitor will need to bring animals to the fairgrounds on specific show days. It is permissible to substitute projects as long as the exhibitor has at least one project animal on exhibit at all times.

c. Maintenance Medication Forms (equine equivalent to a DUNF) for each horse on the grounds must be turned in to Junior Fair Headquarters before 9 p.m. on the Saturday before Fair begins.

d. Measuring Horses: (for class entry eligibility). Horses/ponies of questionable height (14 hands to under 15 hands, or 56” to 60”) must be measured to exhibit in pony classes. Animals over 58” will be classified as horses, and animals 58” and under will be classified as ponies. (See the Uniform Rules for 4-H Horse Shows for more details on how to measure properly). Questionable horses/ponies must be measured at the fairgrounds on the day of the Shelby County PAS Show by the PAS judge or other show officials. Ponies six years old and older measured two consecutive years 58” and under will no longer need measured. The last measurement will be the pony’s final measurement for the Shelby County Junior Fair. Note: If the animal was last measured unshod and is now shod, the animal must be re-measured. Index cards will be issued to the owner and a copy will also be put on file. A junior fair board member and judge if present will sign card with date.

e. Maintenance Medication Forms (equine equivalent to a DUNF) for each horse on the grounds must be turned in to Junior Fair Headquarters before 9 p.m. on the Saturday before Fair begins.

f. Any request to substitute an animal or early departure/late arrivals must be submitted to the Extension Office by 4:00 p.m. on the Monday 2 weeks prior to the first day of the fair in writing to the Junior Fair Board. See page 11 for more information arrival/release requests.

i. Substitutions: The request should be accompanied by a veterinarian certificate or other documentation for a
substitute. If they show in any classes, they must be identified by not wearing their back number so that the judge will know they are not to be placed.

i. Any request to remove or change an animal within 2 weeks will be handled by the Junior Fair Board.

ii. Any request to remove an animal for medical or safety issues within fair week will be handled by the Junior and/or Senior Fair Board. If an animal is taken from the fairgrounds its exhibitor and/or parent of exhibitor without prior approval by the Junior and/or Senior Fair Board before its release time, that Exhibitor will be barred from exhibiting that species the following year at the Shelby County Junior Fair.

g. Horses with a body condition score of less than a 4, obviously sick horses, and horses with a Grade 3 or greater lameness will not be permitted on the fairgrounds and/or will be asked to leave the fairgrounds. Show managers, fair vets, and judges can dismiss a horse from the show/fairgrounds for these reasons.

h. Versatility Class Rules: Exhibitors must be in at least their second year of 4-H horse project work. Attire for all classes will be white, long-sleeve shirt with collar (no tie), clean blue jeans, and boots. The four events will be: Showmanship, Horsemanship, English, Pleasure, and Barrels.

i. Groom and Clean Classes: Horses measuring under 13.2 hands high or over 16 hands high will not be eligible for the class. Additional rules can be obtained from the State Extension website or locally from Shelby County Extension. Teams are allowed to be from other clubs in order to “make” teams.

k. Only those identified in the Uniform Rule book may ride the project animal.

l. Per judge’s discretion, animals and tack may be inspected. Animals inspected for cleanliness and body condition. Tack inspected for cleanliness, good working condition, and proper type for class entered. This includes bits, bridles, and saddles. See 4-H Rule Book for guidelines.

m. Exhibitors may receive no more than three premium awards for exhibiting equine. First place winners will receive a Class Champion rosette, second place winners will receive a Reserve Class Champion rosette, and 3rd through 5th place winners will receive place ribbons. In the event that an exhibitor should receive Grand Champion or Reserve Champion of a market specie, then the exhibitor may change their project designation. Intentions should be indicated by (1) Signing weight card or (2) Signing a buyer’s card for each consignment. If an exhibitor shows more than one champion, all champions may sell.

Also, the Sale Committee will have the option on an annual basis to make sale deductions for Buyers’ Appreciation and a Building Fund. The Sale Committee may also invest the proceeds from the Sales in interest bearing accounts until that time that Sale consignors are paid. Such interest will be used to defray part of the Sale expenses.

10. Exhibitors and their family members are barred from soliciting buyers in the arena while the sale is in progress.

**Shelby Co. 4-H**

**Making the best better!**

4-H is the positive youth development program of The Ohio State University. More than 100 years ago Albert B. Graham, Superintendent of Schools for Springfield Township in Clark County, Ohio, made an effort to recruit some local students to join what he called a “Boys’ and Girls’ Agricultural Experiment Club.” Approximately 85 children attended and began what would later be called a “4-H Club.”

Today, 4-H programs are conducted in all 50 states and in more than 82 countries worldwide. In Shelby County there are nearly 1,000 4-H members in 30 community-based 4-H clubs led by more than 110 adult volunteers.

Today’s 4-H program helps its member become competent, caring, and committed members of their communities. Members join community-based clubs and work on one or more projects each year. Project work helps members learn a variety of skills, including life skills of decision making, learning to learn, problem-solving, and record keeping. Younger members, youth age 5 and in kindergarten through second grade, are Cloverbuds. These younger members complete a variety of activities in the non-competitive, adult-directed program. Cloverbuds also develop life skills, including enhanced self-esteem and social interaction skills.

The Shelby County Junior Fair Board and OSU Extension would like to **THANK YOU** for participation in the 2021 Shelby County Fair. The Youth Development programs that are offered in Shelby County are among the best. We hope you enjoy your fair season.
