

SHELBY COUNTY 4-H

ANNUAL PROJECT UPDATE

This update must be completed annually by members in their second or more year with the same project record book. (*Ready Let's Sew* or other clothing projects, *Focus on Photography* or other photography projects, *Art as Expression*, etc.) This supplements the project book, enabling members to re-use the same book for multiple years and eliminating the necessity of purchasing additional copies of the same book.

The member should bring both this completed form and a completed project book to judging.
